

IT'S MY LIFE

DAY21

Change Comes Around

A Few Hours Ago

Knock
Knock

Long
time
no see,
Noah.

Big
Sis!/?

—Er,

Yeeesss/
I'll be
right
there!

Ahaha,
you
seem
lively,
Noah.

Eeek—

Yes!
I'm full of
energy!!

Weeee!!
It's Big
Sis! Big
Sis!!!

Ah...
Astra...

Oh,
what a
rare
guest.

Yeah.
We were
planning
to go cool
off after our
pet sleeping
outside
wakes up.

The
river?/

Big Sis,
Big Sis/
We're headed
off to the
river to play
now!

...I ended up taking
a bit of a holiday,
so I came by to
check in on things.
It... It's not like
I came to see you...
I came to see Noah!

I know
that.

**TAKE
IT OFF.**

or please, come in.

Right now, sweat is flowing underneath my mask like a waterfall.

This completely black me is incomparably hotter than your people... it feels like I'm one step away from heat stroke.

That's because the Continent has four seasons, which is different from your home town.

Well for sure... this place is hot. There weren't this kind of a climate when I last came here, but...

To cool off... huh?

Keep it a secret from Rose!!

You even brought home a summer uniform?

Although, as you'd expect, I'll be wearing a summer uniform starting today.

Sadly, Gor-Gor hasn't woken up yet, has he? I guess I have no choice, then, I'll have to wake him up-

**NOAH-
CHAAAA!!
THE SEA!
LET'S GO
TO THE
SEAAAA!!**

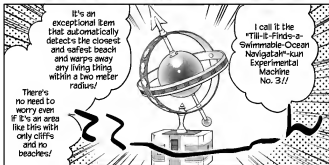

Look!
Here!

Anyway,
listen!
I crafted the
most superb
magical
item of the
century!

Ah/
Sorry.
So you're
home,
Astra-san.

That
said,
so that's
what you
get angry
at...

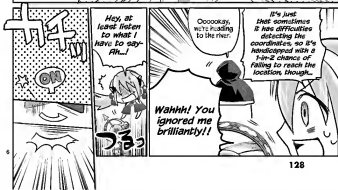

Gm
H
Riff,
open the
door gently.
The hinges
will get
damaged.

It's an
exceptional item
that automatically
detects the closest
and safest beach
and warps away
any living thing
within a two meter
radius!

There's
no need to
worry even
if it's an area
like this with
only cliffs
and no
beaches!

I call it the
"Till-It-Finds-a-
Swimmable-Ocean
Navigatah"-kun
Experimental
Machine
No. 3!!

Hey, at
least listen
to what I
have to say-
Ah-!

Goodokay,
we're heading
to the river.

It's just
that sometimes
it has difficulties
detecting the
coordinates, so it's
handicapped with a
1-in-2 chance of
failing to reach the
location, though...

Wahhh! You
ignored me
brilliantly!!

Mm...
mmm...

What
happen-
ed...?

...
ッ
!?

Big Sis...
Noah-chan's...
Big Sis...?
...Ah... Ahh...

Peachy hair...
and silver eyes...
with a slender
body...
Suck... Suck...

Yeah...
I'm
fine.

Big Sis,
are you
okay?

So
you were
dragged
into this
too, then,
Elise.

"Big"...
"Big
Sis"...?

What the hell's up with you!? Hey...! Don't touch me! I don't swing that way...

Ahh...! How lovely! You're the best of the Antikytheran Tribe! I love you!!

Big Sis... Let me examine you a bit more...

Big Sis Elise... I... I think I've fallen in love with you!!

Such a beautiful woman...!

STOP...! SAVE ME, ASTRA...!!

HUUUUH!?!?

Earlier said them done

DID YOU SAY "ASTRA"!?

I knew it...! I wanted to see you too, Astra!

Please catch onto the conversation.

I just said NO

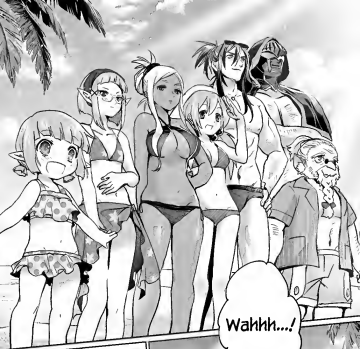

Astra... Is it possible... that you came to see me...!?

NO.

Ky... Ky!? How come even you are!?

GEHHA

"True
blue
ocean"?

Wooww!
It's a true blue
"ocean"!
It's so prettyyy!
So vast!
So huuge!

IT'S MY LIFE[3]

Wha...

Retra got taken away by Rose, so I'm free.

Lone wolves should get along.

What's up with you...?!

ANYTHING BUT THAT!

If you don't want to be with me, how about I call over that chick who's a fan of yours, too?

Yo, beautiful silver-eyed girl.

What are you doing here all alone?

It's futile, even if you praise me a lot saying I'm a beautiful woman or something to try to humour me.

I don't like humans who flatter me.

Shut up...! I don't need your help.

Oh, you got flustered just now, didn't you?

You had this sour look on your face, so I was wondering if you were some kind of pretty doll, but I'm glad that's not the case.

Sorry, but I'm not going to be thankful for getting complimented by a guy like you.

What a pompous attitude. Did you deliberately come to argue with me because you're afraid?

I'm complimenting you right now, so just be honest that you're thankful.

Ah? You think there's some kind of motive behind my compliment?

Huh?
Astra?

After
all, any
human
besides
Astra-

I don't
really mind
if you
aren't kind
to me.

Huuuhh-?
You looked
bored so I kindly
grabbed your
attention, but
what kind of a
reaction is
that?

You
aren't
cute at
all...

*Don't play
dumb, you're
totally blushing!
If a pretty woman
like you were to
court him and he
fell for you,
what would
I do?!*

*How the
hell would
I know,
idiot!?!
Yo... your
face...
is too
close!!*

Wh-what
are you
talking about?/
I'm not really
into that...
St-stay
away...

What
did you say?
Are you aiming
for Astra?
Don't joke
with me, I'll
destroy you,
you know?

A...

A
Kraken
!?

Err...

Ek?

Are you
some
clumsy
girl!?
I wasn't
calling
you!!

So... sorry.
I was thinking
about saving
you, but I
just realized
that we didn't
bring any
weapons...!

BUUUUUUU
THATTTSSS!!!
ASTRA-
KUUUUUUN!!

ARE
YOU OKAY,
ROSE!?
I'LL SAVE
YOU SOON!
EV...
YOU FIGURE
IT OUT
YOURSELF!

I concur,
Commander.

Geez,
you two can't
even handle that
despite being the
ones responsible
for leading the
1st Company?!!
Have some
shame!!

I managed to bind the tentacles, but...

With its flexibility, we won't be able to finish it off with only martial arts and a dagger.

As expected, a dagger meant for self-defense couldn't possibly be enough to cause a fatal wound...!

Tsk...

SENTENCED!!

Move:
Ice Killing
Magic

I agree.

Everything
got settled
safely and
the squid
is delicious,
so all's well
that ends
well!

Oh man-
I was
wondering
for a moment
there how
things would
end up, but...

Please
consider
overlooking
it since
we're on
vacation!

I don't
even
hear the
words to
respond...

*Rose-kun,
Kyuss-kun,
as punishment,
you two don't get to
eat and will have your
salaries cut! What would
the leaders of the
knights do during
predicaments
like that!?*

Grampa
is great at
cooking!!

Wow!
To think
that Krosen
would taste
this good!

Hahaha!
Tell me
more,
tell me
more!!

*Kyuss-
kun!
You lack
the
awareness
of a
captain!*

Ah~
This sucks...
Even though I came
try to rest my wings,
I can't eat and I even
got my salary cut...
And my plan to deepen
my relationship with
Astro failed too...

I'm
so un-
lucky—

Rose,
if you turn
a blind eye
to me taking
the summer
uniform, I'll
help you argue
against the
Commander.

Urg...!

So,
Commander's
Ringer Switch
finally turned on
after so long,
 huh?

Now
that it's
come to
this, he's
not gonna
stop
anytime
soon.

...

Would
you like
to...
eat?

Whoaa
the hell
would want
to end up
indebted
someone
like you?P

I don't
need your
help,
foool!!

ドカ ドカ ドカッ

This saves
me some time
from having to
preach to you.
For the time being,
cool your head!

Must
be nice
feeling
cool, huh
kyp?

...Well...
it's not like I
wanted any
of you to
thank me or
anything...

トイ

I knew
I could
count on
you,
Big Sis!

Thanks
for earlier.
We were
saved
because
of you.

Elise,

Maybe Big Sis
has changed
a bit -somewhere
too after talking
with people
from the
Continent...

She only seems
to get angry or
worried, though...

This is the
first time...
I've seen
Big Sis this
expressive.

This
was
fun!!

Oh man-
What a
good time,
what a
good time!

Well
then...
I think it's
about time
we head
back...

Her
heart of a
salesperson
is resolute,
huh...

Oooh!
I'll
definitely
take
advantage
of that!

Commander-san,
thanks! It was fun!
Ah, here's a token of my
gratitude! It's a discount
coupon for my tool shop!
And if you order a lot of
weapons and armour,
it's free delivery!

Shreud

This
is my
private
beach's...
pet
foundation,

**ASPIDO-
CHELON!**

Kung,
Big Island Fish

Fuo-
fuofuo!
So you're
surprised
then!

Commander!
This is...

Well
you see,
sometimes
it's nice to
relax on
journeys like
these.

It had a
much cuter
size 50
years ago!

...A
gigantic
pet,
huh...?

...How
pretty.

How-

Aspiras
sea nymph
tracks... and
Keipie horse-
fish splashes...
are shining in
the sunset.

It's beautiful
like you.

I was
wondering
if you were
some kind
of puppy
dog boy.

So he
also has
a heart
capable of
recognizing
beauty?
Huh..

If I had a
canvas here,
I probably
would've
drawn it
immediately...

What
is this
feeling?

It's an
emotion
that I can't
put into words.
I've never felt
it before.

But it's
by no means
undesirable.
On the contrary,
it has a feeling
of satisfaction.

Big
Sis—!

Is that
why you
decided to
live in the
Continent
instead of our
hometown?

Now,
do you
possess
emotions
like those
towards
that human
Astra,
too?

■ Kyusu's Secret

The female troops secretly pick him in the "Chevalier Order's 'Men With Nice Faces Rankings'" so he's constantly first place, but at the same time, he's also constantly first place in the "Chevalier Order's Men Who You Don't Want to Date" Rankings. He himself doesn't know about these facts.

■ Rose's Secret

Her sole hobby is to enjoy drinking alone at her favourite back street bar the night before a holiday.

Oh,
2.0 years old
Portrait of
when he was a
teenager

■ Oa's Secret

He was an unbeatable pretty boy whom everyone would turn to look at during his younger days—which was something you never heard people say. He didn't look very much different then he does now, and his eight granddaddies look just like him.
